Every week, I question the wisdom of printing the Douglas County Sheriff's Blotter in the paper. I don't think it's important or necessary.

I know people think otherwise – I respect that.

I've been paying attention to what people "want to know and why"; myself, included. There's a drive within us that feeds our curiosity. We cannot not know.

Social media and cell phones make it convenient to call or post the latest, "Did you hear?" Whether we heard or not, the dominos have already fallen for the next call, text or post.

We mean no harm, but harm and insensitivity happens.

Why is knowing someone else's business noteworthy, while we do everything to protect our own?

Jesus calls us to be neighborly – tenderhearted, hospitable – to think about the "other" just as much as we do ourselves.

We all have "business", a lot of which we'll keep under wraps. Hurts, growing pains, embarrassments – you name it – we've been there. Unless we do it ourselves, our story isn't broadcast ready.

Think kindly the next time you hear or read something about someone. Take a long pause and pause again, before giving into temptation and passing it on.

Take the high road and talk with the One who knows everything ... God.

See you in Worship!

This year's theme is "He is I am". We will have leaders from Lutheran Island Camp joining us.

Kids will learn the ways that Jesus is the great "I Am":

- "...the bread of life.
- "...the light of the world"
- "...the Resurrection and the Life/ the Way, the Truth, and the Life"

Helpers are needed for activity stations and meals. If you can help, please contact the Grace office.

Hummingbirds and dragonflies are moving north. Just as we prepare our feeders, we also need to prepare for the Fall Bazaar on October 5, 2024!

We had a successful event last year, so let's try to top it! Please plant an extra row of potatoes, onions, squash or carrots in your gardens for the produce wagon. Look for a new recipe to try for the bake sale. We will also need items for the Raffle, so let us know if you have something to donate.

Thanks for all the time, talent and treasures you bring to this event. Remember to mark Saturday, October 5 on your calendar!

Grace Beyond Our Doors
April 4, 2024

Next Meeting Thursday, May 2
3:30 pm - Grace Fellowship Hall

Pastor opened with prayer.

International Health Partners in Tanzania: Dr. Denny Lofstrom, one of the founders of IHP, passed away recently at the age of 96. He and his wife Paula have been at Grace a couple times to speak of their mission. We are recommending a special gift from the Mission Fund be sent to IHP in memory of Dr. Denny. We have also requested if Paula comes back to MN she will speak at one of our worship services. We have been supporting this organization for many years. If you would like to read more information about them, their website is www.ihptz.org.

We will once again be collecting medical equipment for HERO (Healthcare Equipment Recycling Organization) in Fargo. If you have used walkers, canes, wheelchairs, etc. you no longer need, please drop them off with your rummage sale items before May 18. Michelle will deliver these items to Fargo.

Our Noisy Offering in June will be to buy quilt batting for our quilting group. These quilts are sent to Lutheran World Relief, Marie Sandvik House in Mpls., graduating seniors, and occasionally for other local use. We hope to have a quilting frame set up in the fellowship hall so anyone who would like can try their hand at tying the quilts.

Habitat for Humanity of Douglas County will be the recipient of our May Noisy Offering. Our congregation has committed \$750 for the Faith Build. Our work day will be June 12. We will be doing various projects on the new house as we did last year. If you would like to join the work crew, please let Kelli or Michelle know. It's fun and we really enjoy the camaraderie! Look for a signup sheet in the future. HFHDC will be holding their Hard Hat events on May 15. More information is on their website.

Our future Noisy Offerings (subject to change):

- July: Firefighters for Healing (Diane)
- Aug-Sept: School and personal care kits for Lutheran World Relief (Pat F. and Michelle)
- Oct: Luther Crest Bible Camp (Annette)
- Nov: United Way Backpacks (Terrill and Diane)
- Dec: Douglas County Food Shelf (Jean)
- Jan: Sanford Children's Hospital in Fargo to coincide with a matching funds opportunity (Terrill)

Present: Kathy Fynboh, Gene Fynboh, Annette Helder, Terrill Morical, Pastor Brad, Pat Freese, Michelle Olsen.

May's Noisy Offering -
Habitat for Humanity
Faith Build

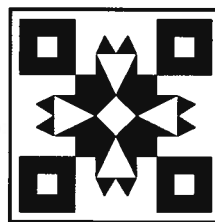

Once again Grace will be part of the local Habitat Faith Build. In the past we have raised funds, prayed for new home partners, worked on the construction site and provided lunch for the construction crew.

We will be doing the same again this year. Our work day will be June 12 on a site in Alexandria. (*Meet the family on pg. 5*)

Please look for a signup sheet in the next few weeks. All are welcome and no experience is necessary. If you ask anyone who has participated in one of these builds you will hear that it is a fun and fulfilling experience! You may sign up for the whole day or any part of the day. Consider joining us! Our Noisy Offering will be collected on May 12.

If you have used walkers, canes, wheelchairs, etc. you no longer need, please drop them off with your rummage sale items before May 18. We will deliver these items to Fargo.

Faith

Chelsey and Matt were approved into the homeownership program in September 2023.

How did you learn about the Habitat homeownership program?

We have known and partnered with Habitat through volunteering and giving for many years now. We both love the mission and believe it can be a blessing to many in this community and beyond.

What motivated you to apply?

Affordable housing is difficult to come by in this area. Even though we have been intentional in saving for a house, with the way the housing market has been, we found it difficult to find affordable and safe housing for our growing family. We were encouraged by family members to consider applying and partnering with Habitat. Since we already knew how great partnering with them can be, we prayed about this opportunity and felt encouraged to apply.

Tell us about your family.

Matt is an expeditor with Douglas Machine, and Chelsey serves as the Communication Director for Lake Community Church and the Creative Guide for Church Doctor Ministries.

We moved to Alexandria three years ago for work and to be near family. Our son was born in 2022 and we have loved watching him grow, learn, and explore the world around him. We enjoy being involved in our church, hanging out with family and friends, serving the community through our work, playing board games, and adventuring around Minnesota.

What are you looking forward to about owning your own home?

We are looking forward to having space for growing our family even more, being able to decorate, and making our house feel like our home. Owning our own home will also help us feel more settled in the area and provide opportunities for hospitality to our friends, family, and neighbors.

How do you think your life will change?

We know owning a home will come with its challenges and unexpected adventures, but we are excited for the opportunity to build equity, host people, decorate how we choose, grow our family, and be good neighbors and members of the community.

What would you like to share with people helping to build your home?

We are truly grateful for the time you are taking to volunteer and help build our home for our family and thank you for your hard work. You are a blessing to us and we encourage you to continue partnering with Habitat beyond this build.
